

DECISIONS OF THE SUPREME COURT.

RESOLUTIONS

OF

THE LEGISLATURE OF NEW JERSEY,

TO PROCURE

*The reports of the decisions of the Supreme Court of the United States,
for distribution among the States and Territories of the Union.*

JANUARY 27, 1845.

Read, and referred to the Committee on the Judiciary.

Resolved, (the House of Assembly concurring,) That the decisions of the Supreme Court of the United States, inasmuch as they are the authentic exposition of the constitution and statutes of the United States, ought to be circulated through the United States, so that a copy of the reports of those decisions may be in the possession of the executive and judicial departments of the State governments, and of the public institutions of every State and Territory; to each of these departments, it seems to the legislature of New Jersey, that copies of these reports should be presented, as well as to the State and Territorial institutions, so that they shall be accessible at all times, and become generally and authentically known.

Resolved, That the Senators and Members of the House of Representatives of this State in the Congress of the United States are hereby respectfully requested to use their best exertions to procure the passage of a law to carry these important purposes into execution.

Resolved, That his excellency the governor be requested to transmit copies of these resolutions to each of the Senators, and to the Representatives of New Jersey in the Congress of the United States.

Passed January 21, 1845.
